

Sinclair Broadcast
Group's plans to air
a political diatribe
under the guise of a
'news' program
outrages me. I am
very concerned that
the concentration of
media ownership is
adversely affecting
our democracy, and
preventing us from
becoming an informed
public.

I hope that the FCC
will act on behalf
of the public
interest, rather than
allow Sinclair to
use its holdings to
promote its own
corporate agenda.
Please sanction
Sinclair, and
prohibit this sort
of manipulation of
our media.
Sincerely,
Katy Gray Brown
